

# PROFICIENCIES 2011-2012 SEASON

## IMPORTANT.

- If you have missed the 18 proficiency opportunities at Northcliffe you will now need to complete proficiency at another club.
- To do this you need to advise Lea Cooke what date and what club you will attend to complete your proficiency.(see below for dates and venues)
- Before the proficiency you must complete your pool swim and online or manual proficiency paper and take both with you. They will not let you complete your proficiency without both of these forms.The pool swim needs to be signed off.
